2. Issues and impacts :

1. There are a lot of deadlines for other subjects, but we are still trying to finish PA4.
(Responsible: all members , Action date: December 26th, 2022)
2. Because the team is not proficient in using github, devices such as laptops are not powerful enough, so writing code on the same machine for 1 person is uploaded to github. (Responsible: all members , Action date: December 26th, 2022)

3. Next week's goals:

ST T	Description	Due Date	Responsibility
1	Test plan and test case	2/1/2023	Lê Thu Ngân
2	Finish Project	29/12/2022	All members
