2. Issues and impacts :

1. It's very difficult for the group to use github and trello because of the few members who use it.(Responsible: all members , Action date: December 12th, 2022)
2. There are a lot of deadlines for other subjects, so we can't arrange a time to work together (Responsible: all members , Action date: December 12th, 2022)

3. Next week's goals:
